

## **PROPOSED IMPROVEMENTS TO FRANKLEY SHOPPING CENTRE**

Following on from the work undertaken by Urban Practitioner on the ' Vision for Frankley', the City Council has recently undertaken a first stage feasibility study to consider some of the outcomes of the visioning exercise and has a set of draft proposals to refurbish the Holly Hill Shopping Centre and bring forward environmental enhancements to create an integrated local centre for Frankley. A copy of the first stage draft document will be available for viewing at the Parish Council offices, on the Parish Council web site, in Frankley Library and the Frankley Church Centre.

The City Council welcomes your views on these proposals which will be considered as we progress to developing a detailed design. Would you please record your comments in the box below:

If you would like us to get back to you on any aspect of the study please enter your question in the box above and enter your name, address, telephone number and/or email address in the box below:

Please return your completed form to the New Frankley in Birmingham Parish Council Offices.
