CHILD PROTECTION / VULNERABLE PERSONS POLICY

CHILD / VULNERABLE PERSONS ABUSE:

Bankley Carnival Committee considers child and vulnerable persons protection to be very important and undertakes to ensure that all members and volunteers who work with children / vulnerable persons have been checked under the recognised procedures and received information that will enable them to recognise the signs of a child / vulnerable person in distress and follow the referral procedure.

2. RESPONSIBILITIES OF VOLUNTEERS:

- Volunteers have a responsibility to protect children / vulnerable persons from abuse.
- Volunteers have a responsibility to report any disclosures of abuse.
- Volunteers must be able to respond appropriately to a child's / vulnerable persons disclosure of abuse, ensuring information they receive is handled correctly.
- Volunteers are not responsible for judging whether an allegation is true or for sorting it out.

3. FORMS OF ABUSE: The main forms of abuse are:

PHYSICAL ABUSE:

Where adults physically hurt or injure children / vulnerable person hitting, shaking, squeezing, burning and biting are all forms of physical abuse. Giving children / vulnerable persons alcohol, inappropriate drugs and poison and attempted suffocation or drowning is also physical abuse.

SEXUAL ABUSE:

Girls and boys / vulnerable persons are abused by adults who use them to meet their own sexual needs. This might be full sexual intercourse or fondling. The showing of children pornographic materials or videos is also included.

EMOTIONAL ABUSE:

Persistent lack of love and affection damages children / vulnerable persons emotionally. Being constantly shouted at, threatened or taunted can make the child or vulnerable person very nervous and withdrawn.

NEGLECT:

An Adult may fail to meet a child's or vulnerable persons basic needs, like food or warm clothing. Children and Vulnerable persons might constantly be left alone unsupervised. Abuse in any form can affect people of any age.

4. IDENTIFYING SIGNS OF POSSIBLE ABUSE:

Members and Volunteers are important links in identifying a case where a child or vulnerable person needs further protection. Abuse may come to light in a number of ways.

- A child or vulnerable person may tell you what has happened.
- From a third party (e.g. another child or vulnerable person)
- Through the child's or vulnerable persons behaviour.
- A suspicious, unexplained injury to the child / vulnerable person.

Recognising abuse is not easy. Most children will receive cuts, grazes and bruises from time to time as indeed will vulnerable persons, but their behaviour may give reasons for concern. There may be other reasons for these factors aside from abuse but any concerns should be immediately discussed with the individuals outlined below.

Warning signs that may alert to possible abuse include:

- Unexplained bruising, cuts or burns, particularly if these parts of the body are normally injured in accidents.
- An injury which a parent / carer try to hide or for which they might give different explanations.
- Changes in behaviour such as a child or vulnerable person suddenly becoming very quiet, tearful, withdrawn, aggressive or displaying severe tantrums.
- Loss of weight without medical reason.
- Being inappropriately dressed or ill kept and perhaps being dirty.
- Sexually explicit behaviour, for example playing games and showing awareness inappropriate for the child's or vulnerable persons age.

- Continual masturbation, aggressive and inappropriate sex play.
- Running away from home, attempted suicides, self inflicted injuries.
- A lack of trust in adults particularly those who normally would be close to a child / vulnerable person.
- Disturbed sleep, nightmares and bed wetting particularly in a child or vulnerable person that has been previously dry.
- Eating problems, including over eating or loss of appetite.

5. PROCEDURES TO FOLLOW WITH A CHILD IF YOU SUSPECT ABUSE:

- Talk to the child / vulnerable person sensitively to find out if there is anything worrying them.
- Keep questions to a minimum but make sure you are absolutely clear about what has been said.
- Do not take sole responsibility. Discuss your concerns with a committee member designated for Child Protection.
- Contact with parents should be delayed until advice has been sought from Social Services. The designated committee member will seek this advice.

6. PROCEDURES TO FOLLOW WHEN A CHILD DISCLOSES ABUSE:

- Never promise to keep a secret. If you do so and the child or vulnerable person is being hurt you will not be able to help them. Tell them you may need to talk to someone about it. Emphasise that you will talk to someone who will help them.
- Allow them to decide if she / he would like to open up. Do not push them to do so.
- Avoid using 'leading' or 'directing' questions.
- Allow the child / vulnerable person to talk at their own pace, do not pressurise them to disclose anything they do not want to.
- Do not leave the child / vulnerable person until she / he is ready, and then talk to the designated committee member as soon as possible. Even if the child / vulnerable person has decided not to disclose anything, you should inform the committee member.
- The individual / volunteer and committee member must compile a written report which details all the factual information.
- Any person dealing with a child / vulnerable person that has disclosed information can be referred for professional help to deal with their experience.

7. BEHAVIOUR GUIDELINES FOR EMPLOYEES AND VOLUNTEERS WORKING WITH YOUNG CHILDREN.

The aims of these guidelines are to ensure the safety and well being of all children / young people / vulnerable persons and to support the members and volunteers in providing a safe, caring environment.

- Members and volunteers should set examples of appropriate behaviour as children, young people and vulnerable person learn by example. Avoid using sarcasm or discrimination, direct criticism, labelling and unnecessary competition and comparison.
- Good behaviour should be positively encouraged.
- Members and volunteers should not physically punish any person.
- Members and volunteers should not deprive anyone of, their right to consume food or drink.
- Members and volunteers should not humiliate or frighten any child / young person / vulnerable person.
- Members and volunteers should avoid situations in which they risk putting themselves or the child / young person / vulnerable person at risk. This includes being left alone with the same, unnecessarily.
- Members and volunteers should offer respect to the child / young person / vulnerable person at all times and strive to be sensitive to their feelings.

Notice is hereby given in accordance with Regulations 26 and 35 of the Town and Country Planning (Local Planning) (England) Regulations 2012 (as amended), that the Birmingham Development Plan (BDP) 2031 was formally adopted by Birmingham City Council on 10th January 2017.

The BDP replaces the 'saved' policies of the Birmingham Unitary Development Plan 2005, with the exception of those policies contained within chapter 8 and paragraphs 3.14 to 3.14D. The BDP also replaces Policy ED1 of the adopted Aston, Newtown and Lozells Area Action Plan (July 2012).

ADOPTION STATEMENT

Notice of Adoption of:

Bromsgrove District Plan 2011-2030 Development Plan Document (DPD)

In accordance with :

The Planning and Compulsory Purchase Act 2004

The Town and Country Planning (Local Planning) (England) Regulations 2012

The Localism Act 2011

The Environmental Assessment of Plans and Programmes Regulations 2004

Adoption Date

Notice is given that at a Council meeting on 25th January 2017, the Council formally adopted the Bromsgrove District Plan (BDP) 2011-2030 DPD and Policies Map.

The BDP was considered by an independent Inspector at an Examination in Public at hearing sessions held between June 2014 and March 2016. The Inspector's report was published on 19th December 2016 which concluded that the BDP is sound and legally compliant, subject to the Inspector's recommended Main Modifications. The adopted BDP incorporates the modifications recommended by the Inspector and minor modifications by the Council.

Subject matter and area covered

Now that it is adopted the BDP forms a key element of the Development Plan for Bromsgrove District. It replaces the Bromsgrove District Local Plan which was adopted in 2004.

The BDP outlines the spatial vision for sustainable development in the District up to 2030 and how it will be achieved against a set of objectives. The DPD sets the planning policies and identifies site specific allocations for both Bromsgrove District and Redditch Borough's needs.

Modifications

The adopted Plan includes the Main Modifications recommended by the Inspector and the minor modifications. The full list of modifications made to the Plan following receipt of the Inspector's report can be found in the Schedule of Main Modifications published as an Appendix to the Inspector's report and the Schedule of Minor Modifications published by the Council alongside the Inspector's report. The Schedules are available on the Council's website at www.bromsgrove.gov.uk/examination or at the Council's offices and public libraries.

Challenge

Any person who is aggrieved by the adoption of the BDP may make an application to the High Court under section 113 of the Planning and Compulsory Purchase Act 2004 on the grounds that:
